PROFILE

Software Development student at Technological University of the Shannon (TUS Midwest) with experience in C++, Java, C#, and web technologies. Skilled in building console, desktop, and web applications using object-oriented programming and database systems. Strong problem-solving ability with hands-on project experience. Seeking a **Software Development Work Placement** to apply and expand technical skills.

PROJECTS

Rock Paper Scissors Game (C++)

GitHub: <https://github.com/G00dzero/Rock-Paper-Scissors-Game>

- Console-based interactive game using conditionals and logic control
- Implements user input validation and random computer generation
- Demonstrates structured programming and algorithmic thinking

Meme Generator App (Java Swing)

- Developed a desktop application using Java Swing for GUI design
- Implemented dynamic text overlay and image customisation features
- Applied event handling for user input and interactive controls
- Demonstrates object-oriented design and user-focused interface development

Verité Project

GitHub: <https://github.com/G00dzero/verite>

- Web-based project demonstrating frontend and backend integration
- Showcases structured code organization and UI implementation

Additional Academic & Personal Projects

More repositories available on GitHub:

TECHNICAL SKILLS

Programming Languages

C++, C#, JavaScript
PHP

Web Development

HTML, CSS

Database & Tools

MySQL
Debugging & Problem Solving
Microsoft Office (Certified)

CORE COMPETENCIES

Software Design & Integration
Object-Oriented Programming
Database Design & Management
Logical Thinking & Algorithms
Team Collaboration
Clear Technical Communication

EDUCATION

BSc (Hons) Software Development

Technological University of the Shannon (TUS Midwest), Ireland | Sept 2023 – Present

Coursework: Data Structures, Database Systems, Networking, Web Development, Object-Oriented Programming

Languages & Tools: C++, C#, Java, JavaScript, PHP, MySQL

O-Level Certificate

Staff Model Secondary School, Nigeria | Sept 2013 – Aug 2020

WORK EXPERIENCE

Catering Assistant — Supermac's, Ireland

Sept 2024 – Present

- Delivered fast and friendly service to 100+ customers per shift in a high-volume environment
- Processed 100+ daily cash and card transactions using POS systems with high accuracy
- Enforced hygiene and operational standards in compliance with company policies
- Coordinated stock checks and product restocking to maintain continuous product availability

Kitchen Porter — BaxterStorey, Ireland

Mar 2024 – Sept 2024

- Maintained food safety and sanitation standards during peak service periods serving large customer volumes
- Assisted kitchen staff in maintaining efficient workflow and timely food service

Sales Assistant — Chiopat Gadgets, Nigeria

Mar 2021 – Jun 2023

- Assisted 30–40 customers daily with mobile devices, accessories, and gaming products
- Boosted sales through targeted product recommendations and upselling techniques
- Managed inventory tracking and stock control across multiple product categories
- Processed POS transactions and handled daily sales payments accurately
- Trained 3+ new staff members on sales techniques and customer service standards

CERTIFICATIONS

Web Development Certifications — Coursera & SoloLearn
(HTML, CSS, JavaScript)
